Love the Lord, your God - heart, soul, mind.

Love your neighbor as yourself.

Ama al Señor, tu Dios - corazón, alma, mente.

Ama a tu prójimo como a ti mismo.
As many of you know, our parish has been involved with working for close to 10 years to help refugees through the Assisting Refugee Resettlement Program (ARRUPE) program. You have generously supported this program with your time, talent and/ or treasure. Since we have turned a new corner in our commitment to support refugees, I have asked Jane Devlin to bring us up to date.

We begin with this past February when our parish held an information session about the possibility of expanding our refugee support activities to welcome a specific refugee family. Based on the feedback we received from that session and input from interested parishioners and the Outreach Ministries Commission, we decided to move ahead.

At the end of September and with our encouraging support, Fr. Joe signed an agreement with Catholic Charities committing our parish to work together with their Refugee and Immigration Services group. Under that group’s Parishes Organized to Welcome Refugees (POWR) program, we will partner with them to fully welcome and integrate a refugee family to the Boston area.

The process for the refugee family begins with the United Nations High Commission on Refugees (UNHCR). They determine whether there is a well-founded fear of persecution, as defined in the 1951 UN Refugee Convention, whether resettlement is the best solution, and whether there is a country willing to accept this refugee family.

Before a refugee family is selected to travel to our country, they receive a thorough vetting: e.g., medical exams, fingerprints, iris scans, security checks, exhaustive interviews and cross checks. Once selected, they are given a basic orientation and a travel loan from the International Organization for Migration that they must repay. A resettlement agency, in this case Catholic Charities, along with our help and support, greets the family at the airport and helps them to start life here by finding and assisting with housing along with helping them to learn English and find jobs.

You may know, however, that 2017 has been difficult for refugees to be allowed to enter the US. With the new federal fiscal year which began October 1, we hope things will open up again. Catholic Charities will inform us when they have a refugee family for us. In the meantime, the POWR program suggests that a parish establish teams to carry out various tasks. To do this, St. Ignatius has established three teams:

1. a housing team under the leadership of Ed Dailey has already begun looking for suitable, reasonably priced apartments. Once we have an arrival date and an apartment has been secured, the next two teams swing into action;
2. a pre-arrival team under the leadership of Brian Maher to furnish the apartment and greet the family at the airport, and
3. the post-arrival team under the leadership of Joan Engler to help the family with appointments, cultural orientation and English.

To join one of these teams or to learn more about this exciting outreach ministry of our parish, feel free to contact me, Jane Devlin, at devlin.jane@gmail.com.

ARRUPE

Help Us With Refugee Housing

Our Parish has joined with Catholic Charities to sponsor a refugee family that will be welcomed to Boston during the next several months. We will find housing and assist the family with health care, employment services, education, and social services. Our first need is to find affordable housing. If you have experience as a real estate agent, housing developer, or as owner or manager of multi-family housing, we need your assistance and advice. Please contact Ed Dailey, supple.dailey@gmail.com.

ST. MARY’S CEMETERY
St. Mary’s Cemetery in Needham, founded in the 1870’s, is the parish cemetery of Mary Immaculate of Lourdes. The Cemetery is a reverent resting place for those awaiting reunion with the Risen Lord. The decision to pre-plan and purchase interment rights is a responsible and thoughtful gesture, sparing loved ones the stress of making difficult decisions during a time of grief and loss.
