Through the generosity of donors like you, last year’s Catholic Appeal raised $14M to help the ministries of the Archdiocese of Boston support our faith, our parishes, and our communities. We are so thankful for the dedication of our extended family of faith, as together we can impact the lives of others far beyond the change we could affect on our own. Below is a breakdown of how Catholic Appeal funds were allocated to Central Ministries in 2020. Thank you for helping these ministries continue to change lives, share our faith, and bring the presence of Christ to the world around us.

Note: The Catholic Appeal does not provide financial support for priests on administrative leave, or the financial settlements and counseling/medication costs for victims of clergy abuse.

We are currently at 74% of our goal. If you have not donated and would like to, please pick up a Catholic Appeal envelope at Mass or donate online at bostoncatholicappeal.org
This past year, more than ever, All Saints has relied heavily on the resources offered to us through the Catholic Appeal. We could not have navigated the COVID-19 crisis without the comprehensive guidance and support of teams at the Archdiocese available to us 24/7. Parish Financial Services also walked with us every step of the way through the sale of St. Joseph School. We are very grateful for the support the Catholic Appeal provides All Saints, and we thank you for your generous support of this year's Appeal.

Through your generosity to the Catholic Appeal, you help provide a team of expert professionals who support our parishes, our schools, and our communities.

Our Parishes & Our Faith
Helping our 280 parishes safely serve their parishioners once the pandemic struck was truly a team effort.

Our risk management team, health care ethicist, and support staff provided comprehensive guidance and expert advice and best practices to enable parishes to offer remote and in-person services.

In addition, your contribution to the Catholic Appeal helps provide programs such as Transformed in Love, a program for couples preparing for marriage. Converting these in-person programs to internet-based programs enabled 1079 couples to continue their preparations for the sacrament of marriage.

Our Schools
Our teams developed in-school safety protocols and remote learning best practices so that students in our 100 schools did not fall behind during the pandemic.

Our schools have been able to maintain in-person learning throughout most of the current school year and have been cited as a model for public school systems across the state.

With the support of the Appeal, the Catholic Schools Office also provides operational assistance, faith-based guidance, and professional development programs for all diocesan schools.

Our Communities
Our Central Ministries provide services that benefit our 144 communities in numerous ways.

In addition to our Pro-life ministries and support for addiction recovery, we advocate for social justice and respect for the inherent dignity of every person through a yearly Social Justice Convocation and educational programs.

We also provide materials, virtual resources, and support to families and persons with disabilities so that they can stay connected to their Church and continue their collective journey of faith.

This is our Church, and when you support the Catholic Appeal, you support all of us.

To see more about these stories please visit bostoncatholicappeal.org to watch this year’s Catholic Appeal video.
